Reply to Non-Final Office Action of May 11, 2009

This response is in reply to the non-final office action of May 11, 2009, issued in regard to U.S. Patent Application No. 10/768,404 (the "subject application"). Applicants believe that no extensions of time are necessary because this response is filed within the three-month shortened statutory period. However, Applicants conditionally petition for any additional extensions of time that may be necessary to provide for the possibility that the need for such a petition has been inadvertently overlooked. As provided below, please charge any required fees or credit any overpayments to Deposit Account No. 50-2324.

Applicants appreciate the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:
